

OVERVIEW *

- REGISTRATION** ■ We request basic information for our administrative records and provide you with an overview of the consultation process. There is a \$100 charge for a cosmetic consultation, however as a special Holiday gift to you, we are waiving this fee until January 1st! For an insurance related case, only your co-payment is due at the time of your visit. We accept MasterCard, Visa, Discover, and American Express.
- SURGEON CONFERENCE** ■ Your plastic surgeon will talk with you about your wishes and desires. He will examine you and give you his opinion about how to achieve your goals. We believe you need to be well-informed about the actual process of preparing for, and recovering from, cosmetic or reconstructive surgery.
- Choosing a surgeon is an intensely personal decision. We encourage you to take time to ask the doctor and his staff any questions you may have. We believe the formation of a personal bond is an integral part of the surgery and healing process.
- EDUCATION** ■ We recommend that you view the Procedure Animation videos on our website, www.aestique.com. It walks you through the procedures step-by-step and illustrates the various techniques utilized by our surgeons. Brochures are also available, which you may read and/or take home. Many of our staff have had cosmetic surgery and you may talk with them about their experience and feelings about their results.
- COST/TIMING** ■ When you briefly meet with the Patient Coordinator, she will discuss fees and costs. If you have a specific date in mind, we will do our best to accommodate your schedule. If you are still in the information gathering phase, she will try to be sure all of your questions are answered.
- AFTER YOUR CONSULT** ■ If you visited us for an aesthetic consult, upon checkout, you will receive a gift certificate to receive a complimentary Visia Skin Analysis (\$25 value) performed in our Spa. You may choose to coordinate this with your appointment in advance by calling the Spa directly at (724) 832-8266 or you may choose to return to the Spa at another time to have this service performed.
- FOLLOW UP** ■ Your consultation includes a second visit within 6 months at no additional charge to you if you have further questions for your plastic surgeon or any member of our staff.
- ANESTHESIA** ■ Prior to surgery, you will have an opportunity to discuss your concerns and wishes with your Anesthesiologist.
- CERTIFICATION** ■ Our Operating Rooms are certified by the American Association for Accreditation of Ambulatory Surgery Facilities, Inc. (AAAASF).
